

## **Advisory Council meeting of HSRIC held**

The HSR Innovation Centre (HSRIC), under the aegis of NHSRCL, organised its 6th Advisory Council meeting, under the leadership of Rajendra Prasad/MD along with directors and senior NHSRCL officers, president (RTRI, Japan), faculty from The University of Tokyo, directors/representatives from various IITs and IISc to review the ongoing projects. HSRICs' ongoing projects at various IITs and IISc have delivered impactful results for future high-speed rail and Indian Railway projects, with some of them ready for validation and site testing.
