

## **“High-Speed Development”**

### **Capability Assessment for Development of High Speed Train for all HSR Corridors in India**

NHSRCL invites presentations from leading Rolling Stock manufacturers for assessment of their capabilities for development of High Speed Train B35 (max speed 350 kmph) for all high speed corridors in India.

#### **Process:**

Based on the initial presentations, an overview of manufacturer's capability to undertake Design and Manufacturing of High Speed Train will be obtained. In the presentations, firms are expected to explain the following:

1. Design capabilities for propulsion of 350 kmph speed.
2. Existing propulsion design and manufacturing experience.
3. Design capabilities of vehicle electronics (TCMS).
4. Existing design and manufacturing experience of vehicle electronics (TCMS).
5. Design capabilities of mechanical systems of 350 kmph speed.
6. Existing design and manufacturing experience of mechanical system.
7. Make in India capabilities and plan to manufacture trains in India.
8. Team (manpower) experience.
9. Quality control systems implemented in existing facilities and certifications thereof.
10. Compliance with national security regulations.

Focus will be on ability to develop a train that runs in Indian climatic conditions. Ability to design and manufacture key components like propulsion, vehicle electronics (TCMS), and mechanical systems will be key to be considered for development along with Make In India capability.

Schedule and contact details are appended below.

## **Schedule and Contact Details**

Date of presentation: 17<sup>th</sup> and 18<sup>th</sup> July 2026

Time: 10:30 hrs. onwards

Venue : National High Speed Rail Corporation Limited, 5<sup>th</sup> to 7<sup>th</sup> Floor, Tower-D, World Trade Centre, Nauroji Nagar, New Delhi - 110029

Last date for confirmation of participation: 10<sup>th</sup> July 2026, 15:00. hrs.

For submission of interest, Rolling Stock manufacturers may please contact at [r1packagetender@nhsrcl.in](mailto:r1packagetender@nhsrcl.in), with the following details- *Name of Rolling Stock Manufacturer, Contact Person's Name, E-mail Address and Mobile Number.*
